As a Catholic school we take great pride in our mission statement, 'Treat others as you would like to be treated' this is encapsulated in the learning environment that we have created and are always striving to enhance.

As a school we worship together sharing Christ's message, reminding children that everything we do is with the guidance of God's loving hand. Our school enjoys a collaborative relationship with the parish community providing children with an enriched faith to support them as they journey through life.

'The extent to which pupils contribute to and benefit from the Catholic life of the school is: Outstanding

Pupils derive great benefit from and make significant contribution to the Catholic life of the school. They are excellent ambassadors for Catholic education. In discussions and in lessons, pupils articulate their pride in being a member of St Peter's community.

As a result of very strong pastoral care, pupils behave in class and around the school in an exemplary manner. Teachers and pupils understand their responsibility to each other. Consequently, pupils feel safe and secure in the knowledge that there is always someone to whom they can talk if they have a worry or a problem. Pupils are happy and inspired to do their best.'
