Year 6

Autumn Term 2026

Vikings and Mayans

Enrichment opportunities

- Grandparents' Mass
- Christmas carol service
- Mayan experience to be confirmed

Physical Education

- To focus on the social 'cog' to build confidence in working collaboratively
- To focus on using and receiving sensitive feedback in order to improve our own and others' skills.

Outdoor learning opportunities

- Science investigations will take place outdoors.
- Participate in the Daily Mile

Music

- To perform in contexts, using their voices
- To use their voices
- with increasing accuracy, fluency, control and expression

Art

- To create collages using mixed media
- To take inspiration from collage artists' work

History or Geography

- To discover, compare and contrast what life was like for Viking and Maya people.
- To learn about conquests and invasion, analysing reasons for and against.
- To explore artefacts to gain an understanding of the past.

Science

- To recognise that light appears to travel in straight lines
- To explain that objects are seen because they give out or reflect light into the eye
- To use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.
- To compare and explain variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches.

Computing

- To develop coding skills
- To learn more about online safety to ensure that we are using technology safely.

Design and Technology

- To design and create a Viking shield
