Scrabble Spellings

1) Work out the Scrabble score for the words that you have chosen to practise e.g.

appreciate = 16

2) Choose 3 of your words. How can you change them to get a different score e.g.

appreciated = 18
appreciates = 17
appreciating = 19

Challenge: Find the word from your spelling list that gets you the highest score.

Here are some of the Scrabble tiles for you to cut out.

Keep them somewhere safe so that you can use them again.
