Subjects	Description	Additional Info
Reading	Read your reading book at home 4-5 day a week.	Make sure that each time you read it is recorded in your reading record. Please ensure your reading record comes to school each day.
Maths	Go over any times table you have learnt so far at school that you are less speedy with. Remember we have just started the 9 times table. Online Times Tables Tests - TimesTables.me.uk	https://ttrockstars.com/ Use your individual log in. Times Tables Rock Stars this week has another battle on it. Who will it be this week? Goodluck! Try to earn points for your team.
Active Maths	We have been practising addition and subtraction the last few weeks. You could have a go at the practical activity to the right. You could add an extra digit to each number to make them 4 digit numbers.	**Motty's Instructions** 1. Find a book or magazine with lots of pages. Open the book at a random page and note down the number (e.g. 143) 2. Close the book and open it again at another page, near the first one, and note this page number down as well (e.g. 161) 3. Subtract the smaller page number from the higher one (161 – 143) 4. Write down your subtraction sentence (e.g. 161 – 143 = 18) 5. Jog on the spot for as long as the answer (e.g. 18 seconds) 6. Repeat steps 2 to 6, creating a new number 7. Finally add the two answers together. **Challenge** Ask someone to think of two numbers below 1000. Show them how quick you are at subtracting – whilst jogging on the spot! Can you add 350 to the answer as well?
Spelling	This week's spellings are adverbs. They involve words ending in -ly. These have been added to Ed Shed Spellings. You could also go over any of the previous spellings from last half term too if you have time.	sadly completely wildly bravely gently happily foolishly proudly horribly nervously
